

Connecting Experience.com to LinkedIn

Professionals primarily connect to LinkedIn to automatically post reviews on their feeds.

How to Connect to LinkedIn

- 1) Navigate to the Connections page using the left-side navigation menu of your account.

- 2) Find the LinkedIn tile on the Connections page and click the grey Connect button.

- 3) On the right side of your screen, paste your LinkedIn URL into the provided space. Then, click the blue *Connect with LinkedIn Account* button.

The screenshot shows a 'Social Connections' dialog box with a close button (X) in the top right corner. At the top is the LinkedIn logo. Below it is the text 'LinkedIn Connection Confirmation'. A blue button labeled 'Connect with LinkedIn Account' is highlighted with a mouse cursor. Underneath is a 'LinkedIn URL' field containing the text 'https://www.linkedin.com/in/gabrielle-pollack/'. At the bottom, there is a 'Tips!' section with a note: 'Please provide the url in the following format https://www.linkedin.com/in/esanchezmtg'.

- 4) If you're not automatically logged in, log in to your LinkedIn account when redirected.

The screenshot shows the LinkedIn 'Sign in' page. It has the heading 'Sign in' and the subtext 'Stay updated on your professional world'. There are two input fields: 'Email or Phone' and 'Password'. A 'show' link is next to the password field. Below the fields is a link for 'Forgot password?'. A large blue 'Sign in' button is centered. Below it is an 'or' separator, and at the bottom is a 'Sign in with Apple' button with the Apple logo.

- 5) Click the blue Allow button on the subsequent page to grant [Experience.com](https://experience.com) permission to connect and interact with your LinkedIn profile.

The screenshot shows a LinkedIn permission request dialog box. At the top is the LinkedIn logo. Below it is a profile picture of a woman and a blue 'X' icon. The text reads: 'Experience.com would like to:'. Below this is a list of permissions: 'Use your name and photo', 'Use the primary email address associated with your LinkedIn account', and 'Create, modify, and delete posts, comments, and reactions on your behalf'. A note at the bottom says: 'You can stop this sync in your LinkedIn settings. Experience.com terms apply. Learn more.' Below the note is a 'Not you?' link. At the bottom are two buttons: a grey 'Cancel' button and a blue 'Allow' button, which is highlighted with a mouse cursor.

When redirected back to the XMP, you will be connected to your LinkedIn profile.
