

Connecting Experience.com to X (Twitter)

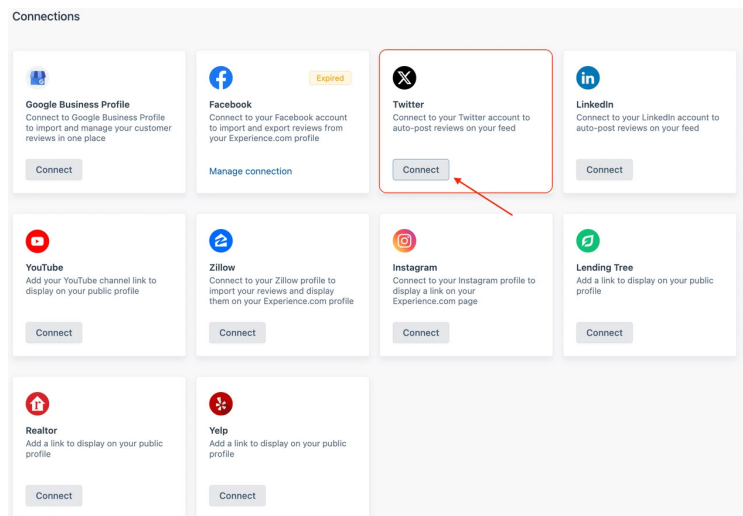

Professionals primarily connect to X to automatically post reviews on their feeds.

How to Connect to X (Twitter)

- 1) Navigate to the Connections page using the left-side navigation menu of your account.

- 2) Find the X tile on the Connections page and click the grey Connect button.

3) On the right side of your screen, click the blue *Connect to Twitter* button.

Twitter Connection Confirmation

Connect to **Twitter**

4) When redirected to X, log in to your account if you are not automatically logged in. While logging in, you will simultaneously authorize [Experience.com](https://www.experience.com/) with the permissions needed to interact with your X profile.

This application will be able to:

- See Tweets from your timeline (including protected Tweets) as well as your Lists and collections.
- See your Twitter profile information and account settings.
- See accounts you follow, mute, and block.
- Follow and unfollow accounts for you.
- Update your profile and account settings.
- Post and delete Tweets for you, and engage with Tweets posted by others (Like, un-Like, or reply to a Tweet, Retweet, etc.) for you.
- Create, manage, and delete Lists and collections for you.
- Mute, block, and report accounts for you.

Learn more about third-party app permissions in the [Help Center](#).

You will be connected to your X profile when redirected back to Experience.com.
